Subject: Proposed Submission Consultation - Local Plan - Section W1B

I write in support of Section W1B of Rugby Council Local Plan.

Which states:

"The council supports the restoration of Coventry Stadium Brandon for Speedway, Stock Car Racing and other Motor Sports together with other community uses.
Planning permission will not be granted for development proposals which would conflict with these objectives."

I have been going to the speedway for over 65 years.
Brandon is my second home.
I was first taken to Brandon as a child by my Dad.
Speedway and stock cars are both family friendly sports, providing enjoyment to multi generations of families.
Brandon is a renowned international motorsports stadium producing world champions in both speedway and stock cars.

Please let your actions achieve my dream to help us to bring back my beloved speedway to Brandon.

Thank you
