

Community Infrastructure Levy Payment in Kind Land and Infrastructure Payment Policy

In accordance with Regulations 73, 73A, 73B and 74 of the Community Infrastructure Levy Regulations 2010 (as amended), Rugby Borough Council as the charging authority for the area will consider allowing payment of the Community Infrastructure Levy by land or infrastructure payments.

The infrastructure to be provided must be one of the key types outlined in the Infrastructure List included in the Council's Annual Infrastructure Funding Statement, and land should be used to provide or facilitate (in any way) the provision of identified infrastructure to support the development of the charging authority's area.

This policy is effective from 2 June 2026.
