Dear Ella,

Please find attached our summary response for R24/0111 - Land North of Rounds Gardens, Rugby.

I also received the following comments from our Social Care and Health Commissioning Directorate:

'Application does not appear propose to make any units available suitable for any prospecting residents that may have current or future accessibility needs placing greater pressure on services. We would recommend consideration for some of the units to be built to M4(2) standard so that those residents that may require a home that can be adapted an opportunity to do so, either now, or as their needs change.' - Please can this be passed on to the developer for a response.

Highways and Flood Risk will submit their responses separately.

Please let me know if you need any more information.

Kind Regards
