## Page 1: Introduction

**Q1** **Agree**

To what extent do you agree with the selection of these objectives?

---

**Q2**

What are the reasons for your answer to question 1?

We need to create more housing in Rugby Town Centre. Traditional retail is never coming back.

---

## Page 2: Strategy for homes and residential allocations (policies S2 and S6)

**Q3** **Neither Agree nor Disagree**

To what extent do you agree with the more dispersed overall spatial strategy for new homes?

---

**Q4**

What are the reasons for your answer to question 3 and if you disagree with the proposed spatial strategy what alternative should we pursue?

These developments are all very large and completely car dependent.

---

**Q5**

Is there a site that is proposed to be allocated for housing in policy S6 that you do not support? If so, which site and why?

I have reservations about the scale of both of them.

---

**Q6**

The development sites annex lists development requirements for the allocated sites. Are there additional or different requirements we should be seeking? Please specify which site you are referring to.

The public transport options for these sites is very poor The health and education needs cannot adequately be met and the impact on our roads is always underestimated.

## Page 3: Strategy for employment land and employment allocations (policies S3 and S7)

**Q7**

**Strongly Disagree**

To what extent do you agree with the strategy for employment land?

---

**Q8**

What are the reasons for your answer to question 7? If you disagree, what alternative location(s) would be better and why?

I think we are producing too many sites for storage and distribution.

---

Page 4: Gypsy and Traveller sites (policy S4)

**Q9**

**Neither Agree nor Disagree**

To what extent do you agree with policy S4?

---

**Q10**

What are the reasons for your answer to question 9?

We need to adequately address this need

---

Page 5: Climate

**Q11**

**Strongly Agree**

To what extent do you agree with the approach to reducing emissions and adapting to the effects of climate change?

---

**Q12**

What are the reasons for your answer to question 11?

I do not see how by building on greenfield sites we can meet our climate change obligations.

---

Page 6: Economy

**Q13**

**Agree**

To what extent do you agree with the document's economic policies?

---

**Q14**

**Respondent skipped this question**

What are the reasons for your answer to question 13?

---

Page 7: Centres

**Q15**

**Agree**

To what extent do you agree with the policies for retail centres?

---

**Q16**

What are the reasons for your answer to question 15?

Rugby Town Centre has already been destroyed as a primary retail site by developments at Junction one. It now needs to be considered as a place for housing. Including flats above shops where possible.

---

---

Page 8: Environment

**Q17**

**Disagree**

To what extent do you agree with the document's environmental policies?

---

**Q18**

What are the reasons for your answer to question 17?

Its not strong enough

---

---

Page 9: Housing

**Q19**

**Strongly Disagree**

To what extent do you agree with the document's housing policies?

---

**Q20**

What are the reasons for your answer to question 19?

Too many of the wrong kind of houses.

---

---

Page 10: Wellbeing

**Q21**

**Disagree**

To what extent do you agree with the document's wellbeing policies?

---

**Q22**

What are the reasons for your answer to question 21?

we need to plant more trees and rewild as much unused space as possible.

---

---

Page 11: Design

**Q23**

**Disagree**

To what extent do you agree with the document's design policies?

---

**Q24**

What are the reasons for your answer to question 23?

Most new developments are remarkably poor in terms of build quality, layout and property type. They are all car dependent have poor infrastructure and poor access to public services. If this is deliberate it is stupid.

---

Page 12: Infrastructure

**Q25**

**Disagree**

To what extent do you agree with the document's infrastructure policies?

---

**Q26**

What are the reasons for your answer to question 25?

Our road network is completely inadequate for the scale of development we are being offered. The new rail station has been promised for years. We seriously need to think about reopening the great central rail route.
