If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The local plan appears sound and sensible particularly in respect of safeguarding sports facilities. I support policy W1B to try to return Coventry Stadium to a useable facility for local people and beyond. I used to attend regularly and now have to travel big distance to follow my sport of stock cars and this drains me physically and financially. I feel its very important to have a facility in the midlands, all others have closed due to developers acquiring the land. I dint want to see this go, having attended the venue for 40 years along with many friends and family means a lot to me. Coventry has always been the jewel in the sports crown and a social meeting point for so many people helping their wellbeing.  
Its internationally well.known for both its Speedway and Stock cars.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
