Subject: Return to Coventry Stadium for Stock Cars and Speedway

Categories: Green Category

I am pleased to hear that your plans to re open Coventry stock car and speedway track are progressing well and look forward to a return to Brandon for stock cars on 1st Saturday of the month, as we were regulars in the 1970s 80s and 90s from County Durham and look forward to a return in the near future. Good luck with your plans.
