## Part B – Please use a separate sheet for each representation

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Local Plan Paragraph	<input type="text"/>	Local Plan Policy	Housing	Policies Map	<input type="text"/>
----------------------	----------------------	-------------------	---------	--------------	----------------------

Site ID

4. Do you consider the Local Plan:

(1) is Legally compliant

Yes
-----

(2) is Sound

No
----

(3) complies with the Duty to co-operate

Yes
-----

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Evidence that local views have been taken into consideration at earlier stage.

The plan does not appear to include necessary development conditions to mitigate risk and local capacity to absorb additional housing - particularly in relation to vehicle and transport links and flooding.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The site should create a link between Squires Cross and the site 348 to reduce traffic around the primary school and at the bottom end of Plott Lane and School Lane. Consideration should also be given to the connection of a linked cycle/ footpath or a single track road with passing places between site 348 and site 81 across School Lane and onto Fosse Way opposite Meadow Close. This would create a much safer walking/ cycling and driving route for vehicles from Squires Cross, site 348 and site 81 to access Fosse Way, the A45 other routes out of the village without increasing traffic through the village centre. The village centre - particularly the bottom end of School Lane and Brookside is single track with inadequate/ non continuous footpath provision and in my view is unable to manage the increased traffic flow without new connectivity and relief across the northern edge of the village.

The alternative modification would be a significant traffic calming and pedestrian improvement scheme through the village and improvement to existing footpaths to make them bike/ wheelchair safe and suitable for year round use.

(Continue on a separate sheet /expand box if necessary)

***Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.***

***After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.***

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

*Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*

9. If you have used AI to produce or substantially alter your representation, please declare which tool you have used, how it was used, and what checks you have undertaken to ensure the AI-produced material is accurate.

Not applicable

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
