I wish to express my support for Policy W1B, which I understand supports the restoration of Coventry Stadium, Brandon for speedway and stock car racing and other motor sports together with other community uses.

Having first attended a Speedway meeting at Brandon in 1978 and since hundreds of Speedway meetings and a few Stock Car events at the World famous venue I have witnessed some fantastic motorsport fixtures. These have included International events including some of the World's most famous riders, such as Ole Olsen, Ivan Mauger, Bruce Penhall and also Domestic fixtures featuring the legendary Coventry Bees.

I sincerely hope that the stadium can once again become an iconic venue for Speedway, Stock Car, other Motorsports events and Community use.

Kind regards.
