Good Morning,

I am writing to once again express from full support of the protection of Brandon Stadium as a historic sports venue, which should not be removed from housing.

There are several multi millionaire businessmen all with a keen passion to return racing to the stadium and restore it to its former glory.

The single blocker is the current owners - Brandon Estates. The council has mine and thousands of other sports fans support to protecting and trying to restore this stadium.

Thankyou for the ongoing support for this great venue and let's hope for its return sooner rather than later!

Kind regards
Brandon Eccles
