Good Afternoon

I fully support the restoration of Coventry Stadium, Brandon for speedway and stock car racing and other motor sports together with other community uses.

Even though I live in the North East, it was always great to visit Brandon for Brisca Formula 1 Stock Cars. It was a tremendous venue, easily accessible and during the season the main highlight. Brandon was a tremendous asset to the area and surrounding businesses.

I sincerely hope it can be restored to its former glory and am convinced it will again be a boon to the local area.

Thank you

Regards

Paul Edwards
