If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I consider Policy S1 to be unsound in that it is not 'justified' by the supporting evidence.The Rugby Urban Area should accommodate the majority of new growth not the less well-served and remote rural areas.The 'Main Rural Settlements' definition is not sound - Wolvey is the smallest and least well-served of all the Rural Villages yet has the third highest housing allocation. This will lead to increased Traffic and is not sustainable.
This will lead to high car dependency as Wolvey has little public Transport

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I believe Wolvey should be in a lower category in the hierarchy because of its limited services, facilities, employment and public transport.
It is a small remote village unable to accommodate the level of growth proposed.

I believe the Land north of B4109, Wolvey should not be allocated for housing for reasons set out below:

- 150 new homes are of a disproportionate scale with the current village.
- The proposed allocation is within the Green Belt – contrary to Government Policy.
- Previous landscape studies have indicated that the land has 'High sensitivity to housing development'. It is therefore not suitable.
- Part of the site abuts a Local Wildlife Site. There has not been a sufficient assessment of the ecological impacts.
- 150 homes (and up to 210 homes) is too much for Wolvey's infrastructure in terms of pressure on: the primary school, travel to secondary school, GP practice, and the very limited public transport availability.
- The Council's own Sustainability Appraisal indicates that "Wolvey is a notably small main rural settlement with a low settlement score".

Please consider this proposal.
Policy S6 should delete the proposed allocation of 150 homes at 'land north of B4109, Wolvey'. Alternative sites should be considered in strategically preferable locations (such as adjacent to the urban areas of Rugby and/or Coventry)
