Dear Sir/ Madam

I support the compulsory purchase and the return of speedway and stock car racing to Brandon. I have been a stock car supporter for 55 years, and travelled to Brandon regularly until it closed.

The current owners (Brandon Estates), never wanted the sports to continue, they just saw it as a cheap land grab, to build houses and make as much money as possible.

This sort of business activity should never have been allowed and should be discouraged in the future by granting us the rights to compulsory purchase the venue back and return it to what was once the premier sports venue in the country.

yours faithfully

STUART ALLAN INNESS
