Ref local plan policy W1B

To whom it may concern

Thank you for your email regarding the latest plans for racing to return to Brandon Stadium.

I would like to reiterate, me and my family and many of my friends attended many race meetings at the stadium. Rarely missed a meeting between 1995 and the stadium closure.

My children are very keen to experience both speedway racing and Stock Cars and I will most certainly oblige by regularly attending Brandon once again if it was re-opened.

I look forward to seeing how things progress

Kind regards

Adam Kenney

Dear Consultee,

Rugby Borough Council is updating its local plan. The local plan sets out policies and locations for new development across the borough, and we are obliged to review it every 5 years as a minimum.

The Proposed Submission Local Plan is the document the Council intends to submit to the Secretary of State for Housing, Communities and Local Government to be examined by an independent Planning Inspector. It sets out a development strategy for the Borough for the period 2025-2042, allocates land for development, and includes development management policies to be used for determining planning applications.

The document has been informed by feedback received during the two previous rounds of public consultation – the ‘Issues and Options’ consultation which concluded in February 2024, and the ‘Preferred Option’ consultation which concluded in May 2025.
