Part B – Please use a separate sheet for each policy or site you wish to comment on

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph	<input type="text"/>	Policy	<input type="text"/>	Policies Map	<input type="text"/>
Site ID	315				

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) is Sound	Yes	<input type="text"/>	No	X
(3) complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The scale of the proposal is disproportionate to the existing size of the village. This will destroy the character and heritage of the village, and overwhelm existing village roads, medical facilities, and infrastructure (drainage and sewage etc.).

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Site 315 will introduce an exceptionally large addition of housing to the village in addition to site 337 which is proposing a further 75 dwellings. The village's facilities are already at capacity and even if only the properties at site 337 are built these will cause problems with traffic, infrastructure, and medical facilities. I would therefore suggest that site 315 should be completely removed from the proposal.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.

The proposal to add 75 dwellings is a very large number when compared to the existing size of the village, and will cause many problems including traffic, infrastructure overload, and shortage of medical facilities. I would therefore suggest that site 337 should be reduced to 35 dwellings at the absolute maximum, with preference given to conversion of existing buildings over new build properties to maintain the character of the village as much as possible.
