Local Plan Paragraph	<input type="text"/>	Local Plan Policy	<input type="text"/>	Policies Map	<input type="text"/>

Site ID

4. Do you consider the Local Plan:

(1) is Legally compliant

(2) is Sound

(3) complies with the Duty to co-operate

No

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

It is in contradiction to NPPF paragraphs 77, 83, 100, 110, 145, 187 and 203 as set out by the government.

77 - no planned infrastructure. Already constraints at Bretford, Green Lane (being an unlit single track) Heath Lane and the junction with Broad Street (already congested/gridlocked regularly)

83 - An 80% expansion to the village will overwhelm local services rather than support them especially the healthcare and schooling.

100-No school in Brinklow so every child needs access to schooling either by car or public funded transport (which we know is already at breaking point and not affordable)

110 - limited public transport makes car ownership essential in Brinklow so the plan increases the number of people travelling hugely increasing congestion & emissions.

145 - Exceptional circumstances have not been evidenced, plenty of non greenbelt options

available to RBC which were disregarded and a Rugby is a ghost town of empty buildings which could be regenerated if the housing was near the town centre.
187 - the proposed housing will destroy landscapes and views from Brinklows scheduled monument and conservation area, valuable food-productive agricultural land to be used, this location was already rejected for building on by Rugby B C previously because of the above reasons, nothing has changed since.
203 - cultural heritage of the village will be at risk due to this development, key events that the village is famous for and attracts many visitors will be unable to go ahead due to reduced land to use. Brinklow will be at risk of no longer being a village due to its rambling size.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Removal, or at least a considerable reduction to, the housing allocation for this site. preferably smaller sites infilled within the current village footprint, as identified by the Parish Council, should be considered as the first alternative on the Lutterworth Road, Green Lane and Walkers Terrace. Take the knowledgeable advice of the Parish Council who know the village and would welcome a smaller amount of additional housing if located considerately and in keeping with the village as it currently is.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
