Mr Stephen Mayhew  
[REDACTED]

I would like to record my continued support for the inclusion of COVENTRY STADIUM Brandon in the local plan and for the restoration of the stadium for Speedway, Stockcar Racing and other community uses. As a supporter of these sports I and my family have attended events at the stadium since 1970. Through these sports we have formed many friendships. Both of these sports are an asset to the community.  
Yours faithfully

Stephen Mayhew
