Objection to Site ID 315: Land south of Rugby Road, Brinklow

I wish to register my strong objection to the allocation of Site ID 315 for approximately 250 dwellings.

My primary concern is that this development constitutes inappropriate encroachment on the Green Belt. The harm to the openness of this area would be significant, setting a concerning precedent.

Furthermore, the proposed access strategy is fundamentally flawed. Relying on Heath Lane for secondary access will exacerbate issues on a rural route that is entirely unsuitable for the significant increase in traffic such a large development would generate. This would have a detrimental impact on highway safety and the character of the lane.

Finally, the council has a duty to promote a sustainable pattern of development. There are more viable and suitable sites available within the existing village confines that would not encroach on the Green Belt or rely on inadequate rural infrastructure. These alternative locations should be prioritised to meet housing need while protecting Brinklow's natural environment and heritage.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

9. If you have used AI to produce or substantially alter your representation, please declare which tool you have used, how it was used, and what checks you have undertaken to ensure the AI-produced material is accurate.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
