5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The road network cannot cope with the amount of HGV's at the moment, any increase in the number of HGV's will have a detrimental impact on local roads. There is only one access route to this proposed development, which is already inadequate for the current amount of traffic and unless major improvements are made to the Leicester Road Island BEFORE any development commences then I fully anticipate that there will be more accidents on this Island. The number of HGV's are also causing the state of the roads to deteriorate especially around the Aldi Island and repairs are not being carried out making it very dangerous especially for cyclists.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

***Please note:*** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

***After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.***

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

*Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
