The roads and value of the estate is already in tatters with the industrial estate we have. We need more and better housing and a road leading out of cotton park from the east end. I think adding more warehouses will only be more harmful to the community that is already struggling with the monolithic building encroaching our view and covering our skylines. We already have severe degradation to our roads and often have to deal with lorries parking in dangerous areas and driving down roads that aren't designed for then leading to a stressful driving experience for residents who are just trying to love a normal life. It also isnt fair on parents who have to dodge industrial traffic just to get their kids into school.

I think we need to extend the road by the school so it connects to the estate from the other end to ensure safe passage for families and to create another exit from cotton park on the east side so divert traffic and allow people easiest egress from the estate.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
