Site ID	39

(1) is Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>

(3) complies with the Duty to co-operate	Yes	<input type="text"/>	No	x

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Land at Dyers Lane Wolston should not be considered as per this plan. The infrastructure is not capable of supporting such development. It carries a high incidence of flooding. Access to and from the site will further struggle under additional traffic. Being Green Belt such development is contrary to Government policy. The underlying village infrastructure is not capable of satisfying additional demand.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Site 39 should be deleted as a proposed site as it has not been justified that the available infrastructure can accommodate them.

(Continue on a separate sheet /expand box if necessary)

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

The underlying logic and assumptions made regarding this proposal are deeply flawed and take little cognisance of the state and performance of the of the current state of the supporting infrastructure to the village of Wolston.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

The scale of the development proposed for the village of Wolston will impact negatively on the infrastructure already under pressure from existing demand. The proposed allocation is within the Green Belt contrary to Government policy. Previous landscape studies have indicated that the land has 'high' sensitivity to housing development.
