I wish to support inclusion of Policy W1B that supports the restoration of Coventry Stadium, Brandon for speedway and stock car racing and other motor sports together with community uses.

I am not a resident of Rugby Borough but I do live in Warwickshire and for 25 years from 1990, until it's untimely closure, I regularly visited Coventry Stadium to watch stock car racing. This was a world class venue for both speedway and stock car racing and the communities of fans and drivers/riders that attended the stadium have been hit hard by it's closure. Motor sport and speedway venues are being squeezed out by development all over the country and Coventry with it's historical importance as a venue deserves to be saved for the enjoyment of future generations. Stadiums like Coventry are more than just a sports venue, they are a place for like-minded people to get together to take part in or watch the sports that they love.

I would like to thank you as a Council for putting your support behind the campaign to save the stadium, more Councils should be protective of the facilities that are in their area before they are all lost for good.

co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
