POLICY W1B  
from: Robert John Rowe

Dear Sir or Madam,

I wish to add the support of my son Robert Paul Glennon Rowe and myself to Policy W1B.

Having been visitors to Coventry Stadium at Brandon often in years past I wish to add our support to the plan to restore the complex to it's former purpose.

The stadium brought great entertainment to many thousands of motorsport supporters over very many years. It is a large part of the heritage and history of sporting excellence of Rugby,Coventry and indeed Warwickshire too.

We wish Rugby Council's Local Plan every success in it's objective to restore the stadium to it's former glory, providing entertainment to the whole area and visitors and of course creating many job opportunities to the local community.

Yours sincerely,  
Robert John Rowe  
& Robert Paul Glennon Rowe
