Although mostly sound. Design policies D1 to D5 that seek to improve design quality are welcome. However the scale of development proposed for Wolvey, a 60% increase in village size would harm local character, rural setting and built form.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Allocations proposed in the emerging Local Plan do not reflect the available evidence in terms of impacts on the landscape. In particular the site at Land north of B4109. Previous evidence indicated that the site had 'High sensitivity to housing development' in landscape terms. The allocation at Land north of B4109 would extend the village substantially towards the River Anker along the valley slopes. This would have a large impact on the character of the village.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The potential landscape impacts mean that Land north of B4109 should be removed from the plan as a proposed allocation.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph	<input type="text"/>	Policy	<input type="text" value="I4"/>	Policies Map	<input type="text"/>
Site ID	<input type="text" value="309 & 358"/>				

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	<input type="text" value="Yes"/>	No	<input type="text"/>
(2) is Sound	Yes	<input type="text"/>	No	<input type="text" value="No"/>
(3) complies with the Duty to co-operate	Yes	<input type="text" value="Yes"/>	No	<input type="text"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The scale of development proposed for the village of Wolvey is not capable of being supported by the available infrastructure.

Important areas of infrastructure that are lacking include:

- The primary school which near capacity and cannot accommodate another 70 pupils.
- There are no secondary or special education needs school in Wolvey requiring long journeys.
- The GP practice is only open on limited days (and only for part of the day) requiring long journeys
- The shop is small and not suitable for a weekly shop – requiring long journeys
- Public transport is poor
- There is no dentist, chemist or hospital – requiring long journeys
- Improvements would be unlikely as a result of new development.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The proposed housing sites should be removed from the draft plan because it has not been justified that the available infrastructure can accommodate them. There are better options close to the Urban Areas of Rugby and Coventry that have better services and facilities which are more easily accessible.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No **No**, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I consider Policy S1 to be unsound in that it is not 'justified' by the supporting evidence. The Rugby Urban Area should accommodate the majority of new growth not the less well-served and remote rural areas. The 'Main Rural Settlements' definition is not sound - Wolvey is the smallest and least well-served of all the Rural Villages yet has the third highest housing allocation. This will lead to increased Traffic and is not sustainable. This will lead to high car dependency, as Wolvey has little public transport

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. You will need to say why each modification will make the Local Plan legally compliant or sound.

It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I believe Wolvey should be in a lower category in the hierarchy because of its limited services, facilities, employment and public transport.

It is a small remote village unable to accommodate the level of growth proposed.

Policy S2 I consider not to be sound because it provides the basis for an unsustainable pattern of development that is not 'justified' by the evidence. The policy does not reflect the overall preferred strategy of Urban Concentration – it proposes nearly 58% of new allocations are over and above those in previous Local Plans and already with permission in the rural areas.

6. Please be as precise as possible.

I consider more growth should be directed to the Urban Areas around Rugby and Coventry with a reduction in Wolvey and other remote rural areas. There are potential alternatives that are superior in terms of their strategic locations and sustainability

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Draft Local Plan seeks to allocate some 1,500 new homes on land that would need to be released from the established Green Belt. This does not 'protect' Green Belt.

There are development options outside of the Green Belt that should be explored.

The Council's evidence is contrived and seeks to identify large areas of Green Belt as 'Grey belt' – these areas are needed to safeguard the countryside from encroachment

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Allocations and designations should follow the National Planning Policy Framework and only allow changes to the Green Belt in exceptional cases.

I consider the Land north of B4109, Wolvey should not be allocated for housing for reasons set out below:

- 150 new homes are of a disproportionate scale with the current village.
- The proposed allocation is within the Green Belt – contrary to Government Policy.
- Previous landscape studies have indicated that the land has 'High sensitivity to housing development'. It is therefore not suitable.
- Part of the site abuts a Local Wildlife Site. There has not been a sufficient assessment of the ecological impacts.
- 150 homes (and up to 210 homes) is too much for Wolvey's infrastructure in terms of pressure on: the primary school, travel to secondary school, GP practice, and the very limited public transport availability.
- The Council's own Sustainability Appraisal indicates that "Wolvey is a notably small main rural settlement with a low settlement score".

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please consider this proposal.
Policy S6 should delete the proposed allocation of 150 homes at 'land north of B4109, Wolvey'. Alternative sites should be considered in strategically preferable locations (such as adjacent to the urban areas of Rugby and/or Coventry)

Land at Coventry Road, Wolvey, should not be allocated for housing for reasons set out below:
