To Whom it may concern.

I am writing to express my support for the full return of Stock car Speedway and other racing to Brandon Stadium Rugby . Until it's closer in 2016 I had been attending BriSCA F1 racing at Coventry stadium travelling from my original base in Woodford Essex and from 1998 my current home in East Yorkshire. Coventry Stadium is the most popular and important venue in this country for oval racing two and four wheeled and it is essential that this venue returns to its original purpose.
