Part B – Please use a separate sheet for each policy or site you wish to comment on

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Local Plan Paragraph	<input type="text"/>	Local Plan Policy	<input type="text"/>	Policies Map	EVIDENCE BASE
Site ID	<input type="text"/>				

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	<input type="text" value="yes"/>	No	<input type="text"/>
(2) is Sound	Yes	<input type="text" value="yes"/>	No	<input type="text"/>
(3) complies with the Duty to co-operate	Yes	<input type="text" value="partly"/>	No	<input type="text"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

An inspector may find one non-compliant aspect under The Duty To Cooperate.
The December 2025 draft of the National Planning Policy Framework (NPPF) elevates the concept of risk.
In anticipation of this, an administrative amendment may be made, at this stage, to the Evidence Base.
The LDP suite of documents may be made more comprehensive and mutually supportive by addition of the risk register (RR) - see p571 of 923pp, I&O Consultation.
The RR should be maintained in the Evidence Base at the appropriate stage.
The RR should include: "weaknesses in 'the governance over key sites' that need addressing like:
--Grey's in the town centre [Herbert Grey College].
--Rugby Central.
--Local government housing (owned or hired) that is being supplied adjacent to high AQM risks."

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

NA.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

YES **Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

It's a wish, not a necessity.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

9. If you have used AI to produce or substantially alter your representation, please declare which tool you have used, how it was used, and what checks you have undertaken to ensure the AI-produced material is accurate.

NA.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
