Brandon stadium Has been regarded as one of the best of its type in the UK. It has seen the very best competitors, highest spectator numbers and has created lifelong friendships. I have even seen 4 generations standing together on the terraces, supporting their beloved 'Bees' and consecutive generations of riders and drivers competing on the track. Behind those competitors are the technicians, mechanics, engineers and product manufacturers, employed to produce and maintain the highly tuned machines. There are also the permanent and temporary staff that bring the stadium to life on race nights. It has been proven beyond doubt and with Kings Council evidence, that the stadium should remain for future generations, both new and old, to enjoy and rebuild that lost wellbeing.
