Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Local Plan Paragraph	<input type="text"/>	Local Plan Policy	Site 136	Policies Map	<input type="text"/>
Site ID	<input type="text"/>				

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) is Sound	Yes	<input type="text"/>	No	√
(3) complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The land at Warwick Road should not be allocated for housing as it is within the Green Belt which is contrary to Government Policy.
 I also believe that the infrastructure of Wolston is unable to support the current housing needs and certainly cannot support any new housing developments.
 There are already problems with the volume of traffic through the village and parking.
 The infrastructure will not meet the needs of elderly persons. The GP practice is small and only open on limited hours. Public transport is poor making it difficult to access nearby hospitals, dentists, and shops.
 Elderly persons dwellings will be better sited in urban areas, closer to services and amenities.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Site 136 should be deleted as a proposed allocation of 80 homes at Warwick Road. Dwellings specifically for elderly persons are not ideal in Wolston due to its village location and distance from services and facilities.

The site should also be removed from the draft plan because it has not been justified that the available infrastructure can support them.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

9. If you have used AI to produce or substantially alter your representation, please declare which tool you have used, how it was used, and what checks you have undertaken to ensure the AI-produced material is accurate.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
