Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph	Annex: (pp138)	Policy	Annex: Allocation site 309	Policies Map	Inset map (Wolvey)
Site ID	309				

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(2) is Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

1) The proposed 150 new homes are of a disproportionate scale with the current village. The Council's evidence, contained within the 'Rural Sustainability Study,' identifies Wolvey as the smallest and 'lowest ranked' of the Main Rural Settlements – yet is proposing the third highest level of growth after Long Lawford and Brinklow. The study acknowledges that, as of 2024, there were only some 357 dwellings in Wolvey Village. 210 additional dwellings (in total) would increase the size of the village by some 60%. This is a totally disproportionate level of growth, particularly given the remote, unsustainable location and substantial loss of Green Belt land required.

The site is in the Green Belt, and this land should be sought only when other options are exhausted.

A professional landscape assessment in 2016 placed this site as high sensitivity, this is more credible than the recent desktop study produced to support this plan.

All of this land was identified in the 2016 landscape report as high sensitivity. It has now been downgraded. Landscape does not change, only local authorities development aspirations change. This land is valued, Green Belt, and warrants protection.

This site would require extensive car dependence, and is therefore not sustainable.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

A sustainable Urban extension should be considered as this would be compliant with plan objectives.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
