Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph	7.2	Policy		Policies Map	
Site ID					

4. Do you consider the Local Plan:

(1) is Legally compliant	Yes	X	No	
(2) is Sound	Yes	X	No	
(3) complies with the Duty to co-operate	Yes		No	

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I fully support the inclusion, in this Local Plan, of the commitment to retain and restore Coventry Stadium, Brandon, to speedway, stock car use, and community use. I further support the express rejection, as expressed in W1B, of any planning application which would not include the commitment to speedway and stock car racing.

As you can see from my address, I am not local to Rugby. I was, however, up to 2016 a regular visitor to Coventry Stadium. I have simultaneously mourned the loss of the amenity and celebrated the unity of purpose the community, campaign group, and business consortium has expressed in resisting the venal and rapacious interests of Brandon Estates this last decade. I hope and pray that the confirmation of this Local Plan will finally pave the way (shale the way?) to returning motorsports to Brandon once and for all.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

All representations received will be submitted to the Planning Inspectorate alongside the Proposed Submission Local Plan and published on the council's website. Personal addresses and email addresses (as distinct from businesses addresses), but not names, will be redacted before representations are published.
