Subject: Draft CIL Charging Schedule

OFFICIAL

Thank you for affording Warwickshire County Council the opportunity to comment on the Borough Council's revised draft CIL Charging Schedule.

Although we have no specific comments to make at this stage, the County Council is keen to continue to engage with the Borough as the proposed implementation of CIL continues. I would envisage that the County Council will be keen to explore opportunities for potential CIL funding to support the delivery of infrastructure not readily attributable to a particular development. We will also be keen to work with the local councils to help inform their thinking about the use of their neighbourhood share when appropriate.

As a result, it would be greatly appreciated if you could keep me informed when

- the draft charging schedule is submitted for examination
- when the examiners recommendations are published
- and approval of the charging schedule.

Kind regards
