FAO: Mike Hayden, Inspector, Rugby Local Plan Examination

Our Ref: JW/JW6601

December 2017

Dear Ms Edwards,

RBC Local Plan Examination

I write to confirm that I support Princethorpe Parish Council's concern regarding the lack of strategic planning in the RBC Local Plan for managing the increased congestion at the A423/B4453/Fosse Way junction in Princethorpe that is to be expected given extensive housing development near Cawston (Policy DS8 in the Local Plan).

I would be most grateful if you could bring my comments to the attention of Mike Hayden.

Yours sincerely
