## Rugby Borough Strategic Land Availability Assessment - Call for Sites Register

Rugby Borough Council will keep a register of call for sites submissions open and available as confirmed in the C&W SHLAA Methodology. This register shows submissions made to the call for sites undertaken in Summer 2013 onwards. Submissions made prior to this that were not re-submitted in 2014 will not be listed. The register was closed temporarily in April 2015 to allow RBC to assess sites. It will re-open following the next public consultation on the emerging Local Plan.
