

DECISION UNDER DELEGATED POWERS

Subject	Variation to existing G-Cloud contract for additional services. New connection for DR site.
Officer Requesting Decision	ICT Service Delivery Lead Officer
Officer Making the Decision	ICT Manager
Authority for Decision	Council Constitution-Scheme of Delegations Part 2B (2.7 B) Take decisions on the management and provision of corporate ICT services and contracts.
Recommendation	To proceed with the variation to the Call-Off Contract for Data Access Services Connection QUO-16566 – C4S3 to enable connectivity into the DR site.
Alternatives considered and rejected	There would be no DR provision without this variation to the existing Call-Off Contract.
Decision	Approve
Reason	We are unable to commission the DR site without connectivity to our MPLS network which is supplied under the above Call-Off Contract. It is not possible to use another supplier to connect to our MPLS network.
